Learning Half Day - How to Create a Booking

Course name/topic:
Write the main name of the course. This is the big "group name" the lesson belongs to.
Example: Pharmacy, Administration, Medication.

Class title:
Write the full name of the lesson.
Example: Asbestos Training.

Class date:
Make sure the date is one of the Learning Half Day dates.

Class time:
Make sure the time matches a Learning Half Day time.

Duration:
Write how long the lesson lasts.

Venue:
Say how the session will be delivered:

- in person
- on Microsoft Teams
- both (hybrid)

If it is in person, write the full address.
Example: Woodfield House, Meeting Room 1, Tickhill Road Site, Balby, Doncaster.

Contact details:
Write the trainer's full name and email address.

Class description:
Write a short sentence saying what the session is about.
Example: This session teaches how to spot asbestos, know the risks, and follow the right steps.

Target audience:
Say who the session is for.
Is it for everyone, or only certain groups (like clinical or non-clinical staff)?
Is it for the whole Trust or just one care group or service?

Recording for Video Vault:
Say if the session can be recorded and added to the Video Vault.
